LABELS VANISH!

- Labels AND Adhesive **COMPLETELY DISINTEGRATE** in water!!
- LEAVES NO RESIDUE!
- Labels come off in wash cycles or can be wiped off with a damp sponge!
- Labels can be custom printed for your facility.
- Choose from many different sizes.

*No More Peeling, Scraping or
Using Chemicals to Remove Labels
from Cages, Racks, Containers
and more!*

2008 Catalog

Store Labels in a Cool, Dry Location for up to 6 Months!

ViraTek, Inc. now offers a complete line of “**Wash-Off Labels**” to meet the needs of your facility.

These vanishing labels do exactly that.....VANISH!
The labels AND adhesive completely wash off of your racks, cages, equipment, containers, and other items IN UNDER 30 SECONDS as you run them through your wash cycle.

The labels leave absolutely NO residue either on the equipment OR in the washer. NOTHING to clog up your drains!

The labels can also be used on items not run through washers ... simply wipe the label off with a damp sponge.

Water temperature does not matter—cold or hot—the labels will completely disappear!

SAVE MONEY! Think about the staff hours you will save by eliminating the need for scraping, peeling, or cleaning with acetone to remove labels and adhesive residue on clean equipment ... AND your equipment will have a cleaner appearance.

Choose from standard 2”x3”pre-printed Wash-Off Labels or ViraTek, Inc. can customize labels for your facility in a variety of sizes. We can print virtually anything you request and can even put your facility’s name on the label.
